

April 2024

City of Williams

Effective April 1, 2024

On January 25, 2024, the City of Williams passed Ordinance 1003. The City is withdrawing Model Option #6 from Model City Tax Code, Section 447, which removes the term Transient from the Hotel classification and replaces it with Person. The Ordinance amends the City Code by increasing the Hotel rate to five and one-half percent (5.50%). In addition, the City is adopting MCTC Section 447 which adds Rental, Leasing, and Licensing for use of real property, additional tax upon transient lodging to their tax code. The rate for this new classification will be five and one-half percent (5.50%) On January 25, 2024, the City of Williams passed Ordinance 1003. The Ordinance amends the City Code by increasing the Hotel rate to five and one-half percent (5.50%) and adopting a local transient lodging tax by withdrawing Model Option #6, and adding a rate under Hotel/Motel additional tax of five and one-half percent (5.50%)

This change has an effective date of April 1, 2024, and the rates on the chart below are affected.
