## VISION

Williams is a desirable, livable, and sustainable hometown where you want to live, work, and play.

## MISSION

Williams will provide high-quality services in a fiscally sound manner through proactive planning, exceptional staff, and strong community relationships.

## GOALS

**Collaboration:** Williams will build connections with the members of our community, encompassing the richness and diversity of our City. We will respond to growing service demands through strategic partnerships and innovative collaboration.

**Growth/Planning:** To achieve the future we envision, Williams will guide growth and not be guided by it. With a well-planned, responsible approach to development, we will ensure the community is vibrant and sustainable.

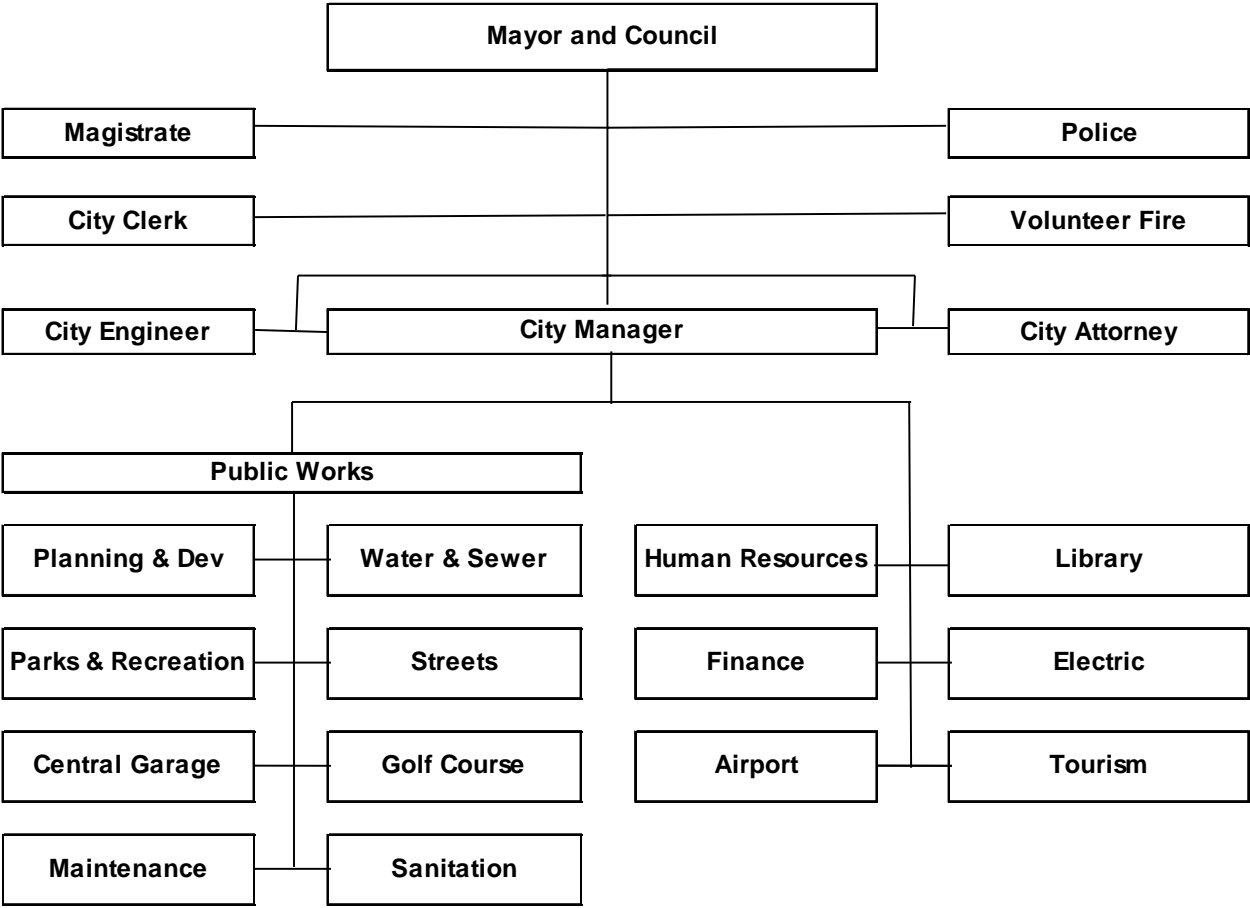

**Economic Development:** Williams will recruit and retain businesses that will create a dynamic, diversified local economy. We will capitalize on opportunities through bold and creative economic development strategies.

**Housing:** Williams will initiate programs, policies, and partnerships that lead to the development of quality housing choices that meet the needs of our citizens, so that those who work here can also live here.

**Infrastructure:** Williams will provide and preserve quality infrastructure for our community. We will develop and implement realistic long-term plans to meet current and future infrastructure needs.

## Message from the City Manager

Our local economy continues to recover. This fact shows in the City's revenue numbers and in the downtown traffic. With this blessing, the City proceeds with work on many community events and projects that had faded with the past recession. Every City event and project is important, but there are a few that highlight the efforts that were made this year by City members during this improvement to our economy. The City budget plan continues and enhances such efforts in the coming year.

Our community continues to show commitment to supported events such as the Fourth of July fireworks show, Rodeo days, and the Christmas tree lighting & parade, to just name a few. Area businesses have been great contributors to the local flavor by festively decorating their downtown restaurants and shops. These efforts reveal true Williams' hospitality. As such, Williams continues to be showcased in national magazines and on-line articles through assertive marketing as a warm & friendly place to visit and as the true "Gateway to the Grand Canyon." This budget continues support of these and other events.

As a City, we are proud of the sponsors and staff for their dedication in continuing to make these very successful events that have visitors coming back again and again.

As part of the City Council's continued effort towards making improvements, staff continues work on street & sidewalk projects now and into the future. Four street improvement projects were completed around the City this year costing over one-million dollars. New equipment was purchased this year as a firm commitment to permit more to be done in each coming year. This budget contains such commitment.

There were a number of public works projects going on as well. Parks, ball fields, and the rodeo grounds were refurbished. Aging roofs and carpet were replaced. Major reconstruction of the apron at the City's municipal airport was completed. Utility crews were busy completing the construction of a reclaimed water project at the Waste Water treatment plant that will save the City hundreds of thousands of gallons of potable water each year. The water utility crew continued its repair and replacement program that improves water delivery service and fire protection to the community. The City now has a firm water master plan that orchestrates the utility improvements in the community for the coming years. This budget contains such plans.

These projects and accomplishments are a small portion of the time and commitment provided by City during each fiscal year. We would like to extend our appreciation to the City Council for its dedication for the support they have given all staff in a cooperative effort to serve the residents of Williams. We wish to thank City staff for everything they do to make things happen each and every day. These folks are without a doubt among the finest, most professional and dedicated individuals with whom we have had the privilege to work with. Through collaboration of our supportive citizens, commitment of City Council, exceptional staff, and dedicated volunteers, we will continue to accomplish all things we set out to do. This budget is the catalyst.

## Accounting Structure and Basis

The governmental environment differs from that of business enterprises; however, the underlying accounting policies share many characteristics with private-sector accounting. The principles for financial accounting and reporting for municipalities is established by the Governmental Accounting Standards Board (GASB). The accounting of sources and uses is separated into various fund types. Each fund is a self-balancing accounting entity reporting the assets, liabilities, equity and performance of the fund. The types of funds used by the City of Williams and their purposes are presented below.

### **Fund Structure:**

**Governmental Funds** – Uses the modified accrual basis of accounting and budgeting.

***General Fund*** – This fund is used to account for basic governmental services supported mainly by local sales taxes. Services accounted for within this fund included police and fire services, municipal court services, parks and recreation programs, community development departments and general administration.

***Special Revenue*** – Special revenue funds account for the proceeds of specific revenues that are legally restricted to expenditure for specific purposes. For example, Highway Urban Revenue (HURF funds) may only be used for street and road activities. Grant Funds are also included as a Special Revenue Fund.

***Capital Projects*** – These funds account for acquisition and construction of major capital facilities, except enterprise fund projects which are included within Proprietary Funds. Examples of capital projects included within the governmental capital projects funds include the Impact Fee Fund, Capital Projects Fund and the Flood Control District Fund.

**Proprietary Funds** – Uses the accrual basis of accounting and budgeting, except that budgeted capital outlay items are treated as assets for accounting purposes and not reflected as expenditures.

***Enterprise Funds*** – These funds account for operations financed by user fees and are operated in a manner similar to private business. These funds include the Electric, Water, Sewer, Sanitation, and Golf Funds.

### **Basis of Accounting and Budgeting of Funds:**

**Modified Accrual** – Revenues are recognized when measurable and available (revenue received during fiscal year or within 60 days of year-end).

**Accrual** – Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flow.

## Budget Overview

We are pleased to present the budget for Fiscal Year 2019/2020. The Budget was prepared to provide a budget that is fiscally sound and lays the foundation for a strong financial future.

The budget continues to emphasize the City's commitment to provide efficient and cost effective services.

# Revenues

## Revenues Property Tax

Under Arizona Law there are two primary valuation bases: Primary and Secondary. The primary (limited) assessed valuation is used when levying for maintenance and operation of cities, counties, school districts, community college districts, and the state. The secondary (full cash) assessed valuation is used when levying for debt retirement, voter-approved budget overrides, and maintenance and operation of special service districts.

## Magistrate

### **DEPARTMENT DESCRIPTION**

- The Williams Magistrate has original jurisdiction and concurrent jurisdiction with the Justice of the Peace for the incorporated areas of the City of Williams. Our court handles criminal (misdemeanor), civil traffic, and city code cases. The Magistrate is the presiding officer of the Municipal Court.

### **2019-2020 OBJECTIVES**

- Implement Coconino County Justice 2030 planning strategies
  - Outreach and partnerships
    - Expand Verbal Defense and Influence non-escalation/de-escalation training to courts across Coconino County. This training has proven to be immensely beneficial for those having to deal with conflict as part of their duties and responsibilities. The Court previously partnered with the City to provide this training to city staff.
  - Facilities and Operations
    - Collaborate with the Coconino County Sheriff's Office to develop and install a back-up power supply for the Williams Justice Center, to provide uninterrupted court and customer services.
  - Information and technology
    - Further explore and develop "paperless" court management systems and options. Our courthouse is having a new statewide case management system installed this summer as part of an updated statewide project. Other additional case management programs being considered will be funded with court special revenue funds.
    - Upgrade our courtroom video technology to allow Skype video appearances for civil traffic hearings.
  - Staff Development
    - Senior Justice Court Specialist Ruth Alvarado will be completing the Institute for Court Management (ICM) court manager program. We continue to prioritize and set high standards for staff development within the organization.
    - Court Manager Jennifer Carter has expanded her involvement with other courts at the national level with her involvement this past year with the National Association of Court Managers. With Jennifer's leadership, we continue to set the highest standards for justice and fairness, customer service, and holding ourselves to the highest ethical standards.

### **2018-2019 Accomplishments**

- The Williams Justice and City Courts hosted the 2018 annual National Judges Association conference in Williams with approximately 90 in attendance.

- A security fence project in collaboration with the Coconino County Sheriff's Office was completed for the employee/staff parking area.
- The inter-governmental agreement (IGA) between the City and Coconino County for court staffing services has continued to improve customer service and increase efficiencies in our municipal court. The approved amendment to the IGA provides for seamless and continuous service for the next 10 years.
- We once again hosted the regional Homeschool Association mock trials and competitions in our court.
- Results of data obtained and received by Praxis Consulting of Denver, Colorado as part their research for the Coconino County Justice 2030 Strategic Agenda conference showed that the Williams Municipal Court received the highest overall performance rating of any municipal or lower jurisdiction court in Coconino County. We are pleased those results show that improvements made in the municipal court through our service IGA with Coconino County have improved customer service satisfaction.

## Recreation

### **DEPARTMENT DESCRIPTION**

The Recreation Department is dedicated to safe, fun, healthy, educational, supervised facilities, programs and events for the youth and families of our community. The Department provides diverse year-round leisure opportunities throughout the city. Recreation programs are produced for various age groups, primarily focusing on ages 5 through 18 and offering three adult specific programs at this time.

The Recreation Department provides personnel for supervision of the Youth Recreation Center, the Williams Skate Park, and the cooperative programs with WUSD2 including open gym and the adult/high school age basketball. Through the Recreation Department the multi-level fitness classes, Folklorico dance classes and Pickleball are available using volunteer instructors. The Recreation Department continues to offer recreational opportunities to more than 50,000 participants each year through their facilities and programming.

The Recreation Department is responsible for management of the City owned and/or operated rental properties throughout Williams and coordinates the 'City Events Listing' with other community entities. The Recreation Department also coordinates City services for community events, works with other government agencies, facilitating meetings as requested and the Parks and Recreation Commission.

## Swimming Pool

### **DEPARTMENT DESCRIPTION**

The Recreation Department oversees the operation of the Williams Aquatic Center. The Williams Aquatic Center is currently operated during the summer months. During the season the pool offers swim lessons, water aerobics, lap swimming and public swim sessions. There are also sessions set aside weekly for the special needs campers from Camp Civitan and session times dedicated, twice a week, to the City of Williams Summer Rec Program.

The pool staff is responsible for providing safe, healthy, fun programs and activities for the community within the pool facility. The Aquatic Coordinator II and Aquatic Coordinator I are responsible for keeping the chemistry in the pool perfect, the facility sanitized at all times, staffing requirements and building maintenance needs.. They train and recertify the lifeguards to 'Red Cross Lifeguard' standards.

The pool is maintained at such a high level of sanitation and water purification, that the Coconino County Health Department has, since 2002, issued perfect inspections to this facility, year after year.

### **2019-2020 OBJECTIVES**

- Obtain another water exercise unit.
- Keep operations within budgetary limits.
- Continue to increase usage that will result in increased income.
- Start two new programs mermaid club and Jr. Lifeguard.
- Recertify for LGI to be able to continue in house training of all lifeguards.
- Paint other areas that need attention.
- Reseal deck.

### **2018-2019 ACCOMPLISHMENTS**

- The Aqua Climb has been ordered, installed, and ready for the 2019 season.
- Removed all paint and then repainted locker area, shower area, and hallway.
- Had a successful meeting with the friends of the Williams aquatic center and they gave us \$5000 dollars to purchase the pool a new vacuum. Which we did buy and have received. They have also agreed to donate a \$1000 dollars for every swim season so that the aquatic staff can give punch cards to the children of the community.
- No complaints and close to record numbers for 2018.
- Accommodating another day for Camp Civitan for the 2019 swim season.
- Replaced all lights with LED.
- New safety signs were purchased and have been installed.

## Volunteer Fire Department

### **DEPARTMENT DESCRIPTION**

The Williams Volunteer Fire Department is an all-volunteer fire department. They are budgeted to have 30 volunteers and currently have 22 active and 6 support members. The department responded to over 100 all hazards incidents (fire, rescue, hazmat) in and around the city last year. The department has two stations with four structure engines, two water tenders, one wild land engine, one rescue vehicle, one utility vehicle and two parade/prevention engines.

Department provides all hazard incident mitigation in and around the community, assists local, state, and federal fire /emergency management agencies in these duties, performs various community functions like: safety fairs, fire prevention, fire prevention golf tournament, parades, etc.

Fire prevention education/community risk management is important to the community because it teaches the community on how to prevent incidents/safety hazards and also how to react to incidents/safety hazards should they occur.

### **2019-2020 OBJECTIVES**

- Implement portions of operational analysis / study
- Add Multi-Use Truck and equipment
- Continue to attract quality volunteers and increase the number of firefighters on the Department

### **2018-2019 ACCOMPLISHMENTS**

- Continued to purchase Wild Land equipment and turnout gear.
- Conducted more training.
- Completed exercise activities.

## **Housing Authority (separate entity)**

The City Finance Department processes the Housing Authority Payroll which is reimbursed by the Housing Authority. The City's payroll system is set up to record the payroll disbursements as incurred. A temporary revenue account is used to record the reimbursements. The disbursements and reimbursements are off-set at fiscal year-end.

## **Community Facilities District**

The Community Facilities District was established in 1989 as a special taxing district to help fund improvements within the district. The district covers the 6 main blocks within the historic downtown. Project within the district have included stamped sidewalks, historic street lights, and hanging flower baskets. The district has voted to impose a tax of \$ 7,500 this fiscal year for additional improvements.

The City and property owners also contribute to these projects on a case by case basis.

## Water Department

### **DEPARTMENT DESCRIPTION**

The City of Williams Water Department provides the community with potable water from five lakes and three wells through various tanks, valves, and miles of pipeline.

The Department, via the contracted operator, maintains the Water Treatment Plant to ensure the highest quality water to customers. Department employees assist with routine testing to ensure compliance with permit requirements.

The City Department employees operate and maintain the distribution system, service connections, valves, and hydrants.

### **2019-2020 OBJECTIVES**

- Implement plans to reduce dependency on Electric Fund transfers.
- Continue better management of existing water resources.
- Continue to utilize the Sante Fe & Rodeo wells to maximum capacity.
- Perform strategic main/service replacement in conjunction with Street Maintenance program when possible.
- Deploy WIFA funds when possible to further projects and enhance revenues.

### **2018 – 2019 Accomplishments**

- Continued developing water supply with new sources and better management of existing sources.
- Introduced new chemical for treating lake water which saved money and water
- Reduced water usage at plant
- Reduced system water loss by 30%, with continual leak repair, new meters, and process by repairing leaks.
- Deployed WIFA “grant” funds to capture full revenues.

## Wastewater Department

### **DEPARTMENT DESCRIPTION**

The Wastewater Treatment Facility was constructed to comply with discharge requirements issued by the State of Arizona. Waters discharged from a treatment facility into receiving waters are regulated by the State environmental agencies. Continual monitoring, sampling, and reporting are required to meet the health and safety guidelines.

The Wastewater Department operates a collection system and assists the contract operator with the plant. The contractor and staff conduct rigorous testing and sampling of effluent to ensure permit compliance. The Department also coordinates the use of effluent water through standpipe sales and Golf Course usage.

### **2019-2020 OBJECTIVES**

- Fill lagoons with treated effluent storage for future utilization.
- Reduce plant processing of well water and increase storage capacity.
- Continue reducing chemical usage with adjustments to treatment process.
- Reduce sampling costs with continued changes to operating permit .
- Deploy WIFA funds to maximize projects.

### **2018 – 2019 Accomplishments**

- Completed new screening bin that eliminated use of trash cans.
- Continued reduction of chemical usage with adjustments to treatment process.
- Reduced sampling costs with strategic changes to operating permit.

## Golf Course

### **DEPARTMENT DESCRIPTION**

The Municipal Golf Course, Elephant Rocks at Williams is a 18 hole course. At 7000 feet above sea level, the course meanders its way through stands of large Ponderosa pines. There has been a course here since the 1920's but it was not until 1990, when the course was reconfigured by Gary Panks. In 2000, Gary Panks designed an additional nine holes around the Highland Meadow Subdivision.

The City is responsible for the maintenance of the course, buildings, and equipment. The City contracts with a Golf Professional to oversee the operation of the clubhouse including food and beverage and facility rental.

### **2019-2020 OBJECTIVES**

- Maintain pristine condition of golf course and related facilities.
- Continue hydro seeding.
- Continue replacing aging sprinkler system.
- Extend service lines.
- Enhance revenues for renewal & replacements.
- Tee box additions & structure upgrades.
- Equipment lease funded through rate/fee increase (pass, green fee, cart fee)

### **2018-2019 ACCOMPLISHMENTS**

- Replaced portions of aging sprinkler system
- Hydro seeded course
- Equipment lease funded through rate/fee increase (pass, green, cart fees)
- Upgraded pumps, irrigation, and pumphouse
- Assisted with remodel projects

## Impact Fee Fund

### **DEPARTMENT DESCRIPTION**

The City of Williams adopted Impact Fees in 2005. These fees expired in 2014. Past legislative changes required the City to evaluate the fees to be charged on new construction and the continuation of future impact fees is unknown. All past fees collected have been transferred to the various related funds.

There is no current impact fee fund activity expected for Fiscal Year 2020.

- Capital contributions are via possible Development Agreements

## Capital Projects Fund

### DEPARTMENT DESCRIPTION

The Capital Projects Fund was initially funded with a GADA bond issue in 2008. The table below summarizes the planned outlay in the fund.

## Northside Sewer District # 2

The City issued special assessment debt with government commitment in 1995 and formed the Northside Sewer District #2. The proceeds were used to construct a sanitary sewer for the property owners in the specific district. The debt was secured by the lien upon the lots, tracts, and parcels of land within the specific district.

This Special Assessment debt was paid-in-full during fiscal year 2013-2014. This debt is retired and debt service for this purpose will no longer need to be included in the budget.

## Glossary

**ACCRUAL BASIS.** Accounting basis which records the effect of transactions in the period in which they were earned or liability incurred, rather than the period the cash is received or paid.

**ANNUAL BUDGET.** A budget that applies to a single fiscal year (July 1 – June30).

**APPROPRIATION.** A legal authorization granted by the City Council to incur expenditures and obligations for a specific period.

**ASSESSED VALUATION.** A valuation upon real estate as a basis for levying taxes.

**ASSET.** Anything having a commercial or exchange value.

**BASIS OF ACCOUNTING.** A term used to refer to when revenues, expenditures, transfers and their related assets and liabilities are recognized and reported within the financial statements. Also refer to Accrual and Modified Accrual. See the Accounting Structure and Basis section for more information.

**CAPITAL IMPROVEMENTS PROGRAM.** Also referred to as CIP. A separate budgetary process that occurs to appropriate funds for projects that are capital in nature and generally financed by long-term debt.

**CAPITAL ASSET.** Long-lived tangible assets obtained as a result of capital outlay or other event such as a donation. Examples include land, buildings, improvements and equipment.

**CAPITAL OUTLAY.** Expenditures resulting in the addition or acquisition of assets to the City, generally in excess of \$5,000 with a service life of greater than one year.

**CONSTANT DOLLARS.** Dollars adjusted for inflation using a specified year as the base year in order to ascertain actual purchasing power over a period of time.

**DEBT.** An obligation of the City resulting from borrowing money in the form of bonds or capital leases. Can also refer to unpaid purchases of goods and services.

**DEBT LIMIT.** The maximum amount of debt legally permitted.

**DEBT SERVICE.** The payment of principal and interest on outstanding debt.

**DEFERRED REVENUE.** Amounts for which asset recognition has been met, but for which revenue recognition has not been met. For example, under the modified accrual basis of accounting, amounts that are measurable, but not available (not collected within 60 days after fiscal year end).

**DEFICIT.** Relating to financial position (1) excess of liabilities of a fund over its assets. Relating to operations (2) the excess of actual expenditures over actual revenues during a fiscal year.

**DEFICIT SPENDING.** Excess of expenditures over revenue. The net loss lowers fund balance.
