The area within the red line (fire flow area) are exempted from the ban. We would like to remind those residents to remain cautious with fire and to obtain a burn permit for burning yard waste or woody debris. Burn permits can be found at williamsaz.gov under the residents tab.

§ 94.20 BAN ON OPEN BURNING; EXCEPTIONS.
(A) The Mayor and City Council hereby impose a ban on all open fires, campfires, fireworks and other pyrotechnic displays within the incorporated boundaries of the City of Williams, effective at any time and for such times in which restrictions are declared in effect by U.S. Forest Service, Kaibab National Forest.
(B) Excepted from this ban are all areas designated by the Fire Chief and Community Development Director as fire flow areas, petroleum-fueled stoves, enclosed charcoal barbeque grills operated in residential yards, and special events specifically approved by the City Council.
