LIBRARY & REC CENTER TO TEMPORARILY CLOSE

March 20, 2020

At the close of business today, the City of Williams will be temporarily shutting down the Rec Center and the Williams Public Library due to the ongoing concerns surrounding COVID-19. Since both of these buildings are gathering points for the community, City leadership felt that it was in the interest of public health that these buildings not be open until the threat subsides. During this time, the shuttered facilities will be thoroughly cleaned and sanitized. All other City buildings (including City Hall) and services are open and are maintaining normal business hours for the foreseeable future. The employees of these facilities will be temporarily reassigned to fill other roles in the City until we can reopen.

We are sincerely sorry for the inconveniences this may cause. We understand that the Rec Center and the Library are vital parts of the community and this decision was not taken lightly.
