

**City of Williams**  
**Public Hearing Regarding Use of CDBG Funds**

The City of Williams is expected to receive approximately \$328,000 in FY20 federal CDBG funds from the Arizona Department of Housing Regional Account (RA). The City may also apply for up to \$500,000 in FY19 or FY20 CDBG competitive funds from the State Special Projects (SSP) account. CDBG funds must be used to benefit low-income persons and areas, alleviate slum and blight or address urgent need. Based on citizen input as well as local and state planning objectives several potential projects have been selected to be forwarded to the State of Arizona with a request for funding. A public hearing will be held at the regular City Council meeting at **7:00 pm on June 11, 2020, at Williams City Hall, 113 South 1st Street**, to discuss the potential projects.
